Certificate of facsimile filing

REMARKS

Your applicant filed a Petition for Revival with a Substitute Specification on March 20, 2003.

- 1. Your applicant now files a supplementary amendment to the specification re: Brief Description of the Drawings regarding Figure 5A.
- 2. Your applicant now files a supplementary amendment to the specification re: the second sheet of drawings to identify previously unlabeled Figure 5A. Figure 4 is amended by changing the detail reference "5" to "5A". Both are marked with a line and the word "RED".
 - 3. Your applicant now files supplementary amendments to the claims.
- 4. Your applicant acknowledges that in the Previously Filed Substitute Specification, the statement for "Figure 1" in the Brief Description of the Drawings should be amended and your applicant will be responsive to any direction by the Examiner regarding the need for amendment.
- 5. Your applicant also acknowledges that textual notations on the sheets of drawings will likely require additional amendment to the Specification with deletion of the text from the drawings when formal drawings are submitted.
